Horrifying Vegetarians for over 100 Years

Nope, not a Bank or Hardware Store either!!!!

We have them both close by though! And guess what? They don't sell meat, wine, beer or liquor. What a concept! Come to think of it, I've never seen a bank or hardware store suddenly add groceries or a liquor department! I wonder why.

What cut of beef do you prefer? Porterhouse, T-bone, Rib-eye, Filet? How thick do you want your steaks? Just tell us. It's that simple. Nothing pre-packaged here. That's right, no styrofoam trays and no cellophane. Just real butcher paper or freezer wrap for you to pick from. Like lamb chops or veal? We got em. How about French cut pork chops or a beautiful crown roast? Can do. Is your mouth watering yet? Check us out for un-announced weekly specials also!!!! Find out why many drive hundreds of miles JUST to buy their meat at Mutach's.

While you are here, shop our great wine, beer or state liquor selection, or pick your lottery. Oh yeah, we don't make you to go to a "special" register and line for those items either.

Shopping on creaking 100 year old wood floors is much kinder on the joints than concrete! AND while we carry out your purchases, (no tipping please) you can take in the most spectacular view of Kelley's Island right from our front porch. Much better than looking at car washes, gas stations or the backs of other stores!

So make the short drive east on 163 to beautiful Marblehead and see what you've been missing. REAL MEAT and REAL SERVICE DELIVERY TOO. Across the street from the ferry.

Ask us where Jimmy is. (He's close by too.)
